

Geoffrey Boot for MHK ELECTOR'S SURVEY 2011 Your views count

Dear Elector

Please return this survey in the pre-paid envelope provided. Alternatively you can download it from my website (www.geoffreyboot4mhk.org) and email the completed form to me on geoffreyboot4mhk@gmail.com.

Rather than ask you to tick boxes I have asked for comments as ticking boxes can lead to accusations of asking people questions in the way in which you want them answered. Please take a few moments to look at the same and let me have your views.

	Are you happy with the level of independence from the UK?
	Do you want a directly elected Chief Minister?
	Do we need local government reform?
	What would be your spending priorities (1 to 5) ?
	Do you want more or less immigration control?
	Is there adequate provision of NHS dental services?
	What do you think of TV provision and coverage by the BBC and ITV on the Isle of Man news?
	Should government raise taxes or cut public expenditure?

Time for positive change. Manx solutions to Manx problems

	What is your view of the present planning system?		
	Would you like to see island-wide referendums on key legislation?		
	Is public transport provision adequate?		
	How important to you is the preservation of the Manx language?		
	What single thing in your area would you like to see happen that government or your local community could facilitate?		
	Do you think we should spend more on promoting tourism to the Isle of Man?		
	Is the balance right on green issues or should we be spending more on recycling, green energy, etc?		
	Any general comments/wish list :		
There seems to be a new dividing line in worldwide politics between people who are in favour of a continued dynamic open society and those who want to close the doors and turn back the clock. The question is, do we need a more progressive government or are you happy with the status quo?
